- If you've forgotten your password, don't worry! Simply tap on the "Forgot your password?" option on the login screen.
- Enter your registered email address associated with your account.
- An email containing a verification code will be sent to your email address. Check your inbox (and possibly spam folder) for this email.
- Enter the verification code you received into the app.
- After verification, you'll be prompted to create a new password.
- Enter your new password and confirm it.
- Once your new password is set, you'll be redirected back to the login page.
