How can I delete my post?

Anna Zozulenko - 2025-07-02 - Social Media

Find the post you want to delete on Spiral.

Next to your post, look for three vertical dots to open a drop-down menu of options.

From the menu, select the "Delete" option.

Confirm Deletion - You might be prompted to confirm the action.

Confirm that you want to delete the post.

Once confirmed, the post will be deleted from Spiral.
