Anna Zozulenko - 2025-07-17 - Buy on Bloop Marketplace

Once you have received your order, you will have the possibility to leave a review in order to help other customers making a decision and support the seller.

Navigate to the "Menu" located in the bottom right corner.

Look for the "Order" icon and click on it to access your orders.

Inside the Order section, find the specific order you want to review and click on the "Received" button.

Click on the button "Rate your order".

Click on the number of stars you want to rate this order with and insert a message (optional) to give a more precise review of the product you have received.

Once completed, click on "Submit your review".
