How can I report a Group?

Anna Zozulenko - 2025-04-18 - Chat

If you witness some violent, racist, or otherwise harmful contents in a Group Chat, you can report it for us to take care of it.

Navigate to the bottom menu and locate "Chat" and click on it to enter.

Select the option "Group" from the menu at the top and select the Group you want to report.

Click on the group name beside the group display picture and you will see the Group Information.

Select the option "Report Group" at the bottom of your screen and select the reason you are reporting it.

The group has been reported and Moderation Team will take action if needed.
