Firstly, log in to your account using your email address and password.

- Navigate to the menu icon located at the bottom left corner of the screen.
- Tap on the menu icon to open the main menu.
- Within the main menu, locate "Account Settings."
- From the Account Settings menu, find and choose the option labeled "Personal Details."
- In the Personal Details section, you'll find fields for various aspects of your profile:
  - Profile Photo: Tap on your current profile photo to upload a new one.
  - Name: Update your first and last name.
  - Username: A default username will be assigned. Modify your username if desired. Please note that only letters and numbers are permitted. Symbols cannot be used in usernames.
  - Bio: Write or edit your bio to provide additional information about yourself.
  - After making the desired updates to your profile information, ensure to click on the "Save" button to confirm the changes.
  - Your profile information will be updated accordingly and saved to your account
