

How do I checkout?

Anna Zozulenko - 2025-04-18 - Buy on Bloop Marketplace

Go to your cart once you've selected all the products you wish to purchase.

In your cart, locate the "Checkout" button and click on it to proceed with the checkout process.

On the checkout page, you will be required to provide your address details. Fill in your address information accurately and completely.

After entering your address details, click "Next" to review your order. Ensure that all the information, including the selected products and shipping details, is correct.

Once you have reviewed your order and ensured everything is accurate, click on the "Checkout" button to proceed to payment.

You will see the total amount to be paid and the Linework fee.

Make sure you have sufficient funds in both tokens in your wallet assets.

After completing the payment, you'll receive confirmation of your order.

You can find your order details in the "Order" section of the main menu.
