How to Buy and Sell on the Linework Marketplace

Welcome to the Linework Marketplace—your decentralized platform to discover, buy, and sell amazing products from across El Salvador and beyond. Whether you're a regular user looking to shop or a seller ready to showcase your products, here's everything you need to know to get started.

▣ For Buyers: How to Purchase Items

Shopping on Linework is fast, secure, and easy. Just follow these steps:

1. **Create Your Account:** Sign up in the app and complete your profile.
2. **Browse the Marketplace:** Use filters to explore products by category, region, or price.
3. **Choose & Add to Cart:** Select your favorite items and add them to your cart.
4. **Check Out with Your Wallet:** Pay securely using AUSDT, BTC, or other available tokens.
5. **Confirm & Track:** Once confirmed, track your purchase from your dashboard.

▣ *Tip:* Enable notifications to get real-time updates on your orders and new product drops!

▣ For Sellers: How to List and Sell

If you're a creator, entrepreneur, or small business, the Marketplace is your gateway to a wider audience. Here's how to start selling:

1. **Switch to Seller Mode:** From the home screen, tap the quick action button and switch to *Seller*.
2. **Set Up Your Shop:** Complete your profile, add shipping preferences, and connect your wallet.
3. **List Your Products:** Upload high-quality images, descriptions, prices, and stock availability.
4. **Manage Orders:** Receive and fulfill orders directly from your seller dashboard.

5. **Receive Payments:** Get paid instantly in AUSDT or BTC, with low transaction fees.

□ *Note:* Sellers must comply with our quality and trust standards. Reviews and ratings help build your shop's reputation.
