Report posts

Anna Zozulenko - 2025-03-19 - Social Media

If you see some contents that should be removed in Spiral feed, you can report them and we will take care of it.

Here's what you can do:

Find the post you want to report on Spiral feed;

Locate the three dots icon above the post ad click on it;

Click on Report post and you will be redirected to the procedure.

Select the reason and the content will be sent to Content Management for review.
