Would you like to share a store with others? Here's what to do:

Go to the store page of the store you want to share.

Click on the three dots (drop-down menu) on the right side of the store page.

Select Share Store from the menu.

You will be provided with options to share the store link with other users within the app or outside the app via social media, email, or other sharing methods.

To copy link to a store:

Go to the store page of the store you want to share.

Click on the three dots (drop-down menu) on the right side of the store page.

Select Copy Link from the menu.

The link to the store will be copied to your clipboard, and you can paste it wherever you need.
